Patent No. 7,052,594 B2

Patented: May 30, 2006

On petition requesting issuance of a certificate for correction of inventorship pursuant to 35 U.S.C. 256, it has been found that the above identified patent, through error and without any deceptive intent, improperly sets forth the inventorship.

Accordingly, it is hereby certified that the correct inventorship of this patent is: Ronald E. Pelrine, Louisville, CO (US); Roy D. Kornbluh, Palo Alto, CA (US); and John S. Bashkin, Fremont, CA (US).

Signed and Sealed this Seventh Day of August 2007.
